AUDITOR'S REPORT

To the Chairman of the
Medical Services Commission of British Columbia, and
To the Minister of Health,
Province of British Columbia:

I have audited the balance sheet of the Medical Services Commission of British Columbia as at March 31, 1991 and the statement of operations for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Commission as at March 31, 1991 and the results of its operations for the year then ended in accordance with generally accepted accounting principles.

MEDICAL SERVICES COMMISSION OF BRITISH COLUMBIA

NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED MARCH 31, 1991

1. SIGNIFICANT ACCOUNTING POLICIES

The Commission

The Medical Services Commission was established, effective July 1, 1968, by the Government of the Province of British Columbia under the *Medical Service Act* and Regulations, to administer and operate the Medical Services Plan.

Basis of Accounting Principles

These financial statements have been prepared in accordance with generally accepted accounting principles for non-profit organizations. A statement of changes in financial position has not been included as it would not provide additional useful information.

Specific Accounting Policies

The cost of furniture and equipment is charged to administration expense in the year of acquisition.

The Province of British Columbia absorbs certain administration and accommodation costs associated with the operation of the Commission. In addition, superannuation and leave entitlement liabilities relating to the Commission are recorded as obligations of the Province.

2. MEDICAL CARE SERVICE UTILIZATION

Under the terms of a memorandum of agreement for the period April 1, 1989 to March 31, 1992 between the Commission and the British Columbia Medical Association, funding for utilization is shared by the Commission and the British Columbia Medical Association.

Utilization, as defined in this memorandum, is the change in service costs attributable to increased usage, but not including increased costs arising out of population or fee increases.

The Commission has included in accounts receivable an estimated amount receivable from the British Columbia Medical Association of $21.998 million for their portion of utilization for the 1990/91 fiscal year. This estimate was made on information available at the time the financial statements were prepared. Final determination of the amount receivable from the British Columbia Medical Association will be made when utilization has been finalized.

3. UNPAID CLAIMS

The unpaid claims liability represents an estimate of claims for services performed in the year that were unpresented or unprocessed at year end.

The 1990 comparative figures for unpaid claims and accounts payable have been restated to conform with the current year's presentation.

4. MEDICAL CARE

In December, 1990, the Medical Services Commission and the British Columbia Medical Association reached an agreement that establishes the basis for payments to physicians for the provision of medical services. The agreement covers the period from April 1, 1989 to March 31, 1992. Medical care expenditures for the 1990/91 fiscal year include $42.443 million for retroactive payments to physicians for services performed during the 1989/90 fiscal year.

5. CONTRIBUTIONS FROM THE PROVINCE OF BRITISH COLUMBIA

	1991	1990
	$	$
	(thousands of dollars)	
General Contributions	1,167,971	1,007,010
Premium Assistance	183,053	164,929
	1,351,024	1,171,939

The *Medical Service Act* provides that the Province of British Columbia may pay for expenditures of the Commission out of an appropriation and shall pay premium assistance for qualified subscribers whose incomes are below specified amounts.

6. CONTINGENCIES AND COMMITMENTS

(a) Contingent Liabilities

A legal action was commenced in the 1988/89 fiscal year by physicians in the section of Emergency Medicine of the British Columbia Medical Association claiming damages against the Commission. The British Columbia Supreme Court decided the case in favour of the Commission. However, an appeal has been filed and therefore the final outcome of this case is not yet certain.

In the December, 1990, memorandum of agreement between the Commission and the British Columbia Medical Association, the Commission agreed to retain a third party to study the costs and benefits, to physicians, of the Commission's requirement that physician billing be submitted electronically. This third party report will be binding on the Commission and the B.C.M.A. and will serve as a basis for compensation of the costs, if any, of electronic billing.

(b) Commitments

The Medical Services Commission has agreed to contribute $25 million annually, commencing in the 1991/92 fiscal period, to a Professional Benefit Plan for eligible physicians.

NOTE CONCERNING THE FOLLOWING SCHEDULE OF PAYMENTS

The figures listing gross payments for the cost of insured services as listed herein on pages 7 to 34 under the heading "Schedule of Payments by the Medical Services Plan to Societies, Hospitals, Health Departments, Health Organizations, Practitioners, and Clinics for Insured Services" are being published in compliance with the *Financial Information Act*, S.B.C. 1985, c. 8 and B.C. Reg. 131/87 deposited May 8, 1987.

Persons reading these data should understand that they provide *only* a record of *gross* payments. Since practitioners must pay the expenses of their practice out of this gross amount, no calculation of a practitioner's net income can be made from such figures.

No conclusions can be drawn from these figures about the relative net income of any practitioner since overhead varies greatly from practitioner to practitioner, and since in some instances the recorded figure is a payment for the services of a number of practitioners.

The Chairman and all staff of the Commission are public servants. Therefore, details of employee salaries, wages, travel expenses and payments to suppliers for administrative services are included in the Public Accounts of the Province.

SCHEDULE OF PAYMENTS BY THE MEDICAL SERVICES PLAN TO SOCIETIES, HOSPITALS, HEALTH DEPARTMENTS, HEALTH ORGANIZATIONS, PRACTITIONERS, AND CLINICS FOR INSURED SERVICES

The following is a list of gross payments made for the cost of insured services, showing each individual account in an amount of more than $10,000 paid during the fiscal year ended March 31, 1991, and showing all other accounts paid as a consolidated total. These are gross amounts listed alphabetically by person, group, clinic, or hospital to which or in respect of which payment was made, and in some instances payment includes services rendered by a number of practitioners.
